## Who We Are

LifeStream Services is East Central Indiana's  
Aging and Disability Resource Center and Area  
Agency on Aging. LifeStream provides programs  
and services to help older adults and people  
with disabilities remain independent and active  
in their homes and communities.

## Our Mission

To provide the right information, resources,  
and support for improving quality of life and  
maintaining independence for older adults and  
those with disabilities.

## Event Information

*If you step in to provide help or assistance to a friend, family member, or loved one – you're a caregiver!*

As a caregiver or care partner, you deserve to be recognized for all of the work and effort that you put in to improving the life of someone else. The purpose of this event is to give you the recognition that you deserve, as well as give you an opportunity to rest, enjoy good food and company, and do something fun. We hope that you will join us for some food, resources, an art show, and activities!

### Program

Please join us for our 2023 National Caregiver Month event! The purpose of this event is to recognize nonprofessional caregivers and care partners for all that they do and give them an opportunity to relax and take time for themselves. We are honored to welcome Peter Rosenberger – bestselling author, radio host, and caregiver for his wife for more than 30 years – as this year's speaker. Peter will be sharing his personal experience caregiving and addressing self-care for the caregiver. Join us for a nice lunch, caregiver art display, floral arrangements, and resources. Activities and engagement will also be available for the individuals with care needs, provided by Essential Senior Connections.

### Cost to register:

Caregivers/Care Partners: Cost sponsored by LifeStream  
Professionals: \$10

*Fee covers meal, speaker, book-signing, and caregiver relaxation activities!*
